Details:

- Currently dancers need to start collecting prizes and donations NOW ☺ and over spring break.
- After spring break we will make a list of amazing contributors who donated prizes and a flyer to advertise our shows and raffle
- Tickets will only be \$1 each!!! Ticket buyers do not need to be present to win. As long as they include a name and phone number on each ticket.
- Raised money is divided amongst the dancers according to their individual dedication. Every prize collected is a point. Then every 5 tickets sold is a point. Money is divided by points earned. Each point value is then multiplied by the amount of points each dancer earns.
- It's time to get to work!!! ☺
